

Pay It Forward

Pay It Forward is an extension of the 'Lifetime Price Guarantee'.

The difference here is that after you have saved, you can pass that saving on to your family and friends.

Yes that's right!
You can save yourself and others money!

Once you purchase a service, as per the 'Lifetime Price Guarantee', not only are you able to purchase the same service at the same price for life, 'Pay It Forward' enables you to pass that fixed lifetime price on by referring your family or friends to us use the same service.

Example: We decorate your Bedroom for £200.00. Three months later your friend asks if you know of a company that can do the same/similar equivalent spec décor in their bedroom. By referring Total Home Care, your friend will be guaranteed the same cost you originally paid, meaning that through the Lifetime Price Guarantee and Pay it Forward you have both save money!
