

## Lifetime Price Guarantee

What Is the Lifetime Price Guarantee?

In a nutshell, whatever service you pay Total Home Care for, you will pay the same to have that exact service again, whether you have it done in 12 months' time or 12 years time.

Total Home Care makes a promise to you the consumer, that whatever price you pay for a service, should you use that very service again thereafter, you will not pay more than the price originally paid upon your first purchase.

Example: Total Home Care decorate your lounge at a cost of £200.00. Twelve months later, you would like Total Home Care to redecorate your lounge to the same/equivalent spec, however this time it is priced at £300.00 meaning the service should cost £100.00 more than the previous cost.

Our original rate will be on our records and as a returning customer you will only be charged the original £200.00 for the service.

We closely monitor our business costs so that we can always provide you with the best possible value for your hard-earned money. Therefore, we will never 'load' our services with excessive profit.

There is **no other company** offering this service!

Total Home Care are the only company to offer you **lifetime loyalty** to this extent!
