

## **Paint as You Go!**

This plan allows you to have decorating work carried out with the flexibility of paying for the work over several months (usually three)  
This makes the financial aspect of have the decorating much easier to manage, without having to wait for the work to take place.

There are **no credit** checks and **no interest** to pay.

### How it works

Let's say Total Home Care offer a quote of £500 to you on 15th March for the work you require carrying out.

This could be broken down to £200 deposit prior to work commencement with two monthly payments of £150, one on 15<sup>th</sup> April and the last payment on 15<sup>th</sup> May.

It couldn't be simpler!
